

## Side Stalls & Games

Action packed traditional carnival style side stalls featuring a choice of classic games and favourites with a twist.

Our red and white gazebos are an impressive site lined up at any event and guests young and old will be laughing out loud as they fish for the colourful ducks or try and loot a bounty from the nerf shooting arena.

Side stalls are a great way to add to the atmosphere of any event, with each one delivering a simple, yet fiendishly difficult challenge for your players as they try their hand and test their luck & skill.
